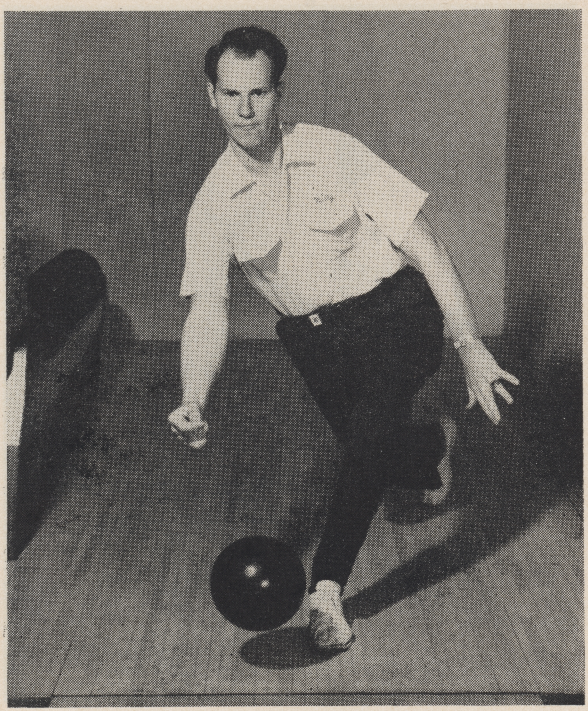
DON McCLAREN

ABC 1954 DOUBLES CHAMPION

Don McClaren of St. Louis, Mo., and Billy Welu of Houston, Tex., got together when McClaren's original doubles partner couldn't make it. A quick call to Welu, 22, a St. Thomas college student and Houston Post bowling writer, formed the team that shot a 1335 total for the title on April 9. McClaren, 29-year-old bowling equipment salesman, had 710 on games of 279, 236 and 195, while Welu came through with 625 on 227, 220 and 178.



BILLY WELU

ABC 1954 DOUBLES CHAMPION

Billy Welu, 22, won his first ABC title when he teamed up with Don McClaren of St. Louis for a 1335 doubles total on April 9. Welu, of Houston, Tex., contributed 625 on games of 227, 220 and 178. He was filling in for Frank Mataya, McClaren's original partner, who was unable to make the trip to Seattle.

ABC 1954 ALL EVENTS CHAMPION

In his first five ABC tournament appearances, 31-year-old Brad Lewis of Ashland, Ohio, had topped the 1800 mark in all events only once, in 1949 when he totaled 1829. His next best nine-game total had been 1705 in 1950. But on April 28, Lewis saw his name go to the head of the all events leaders with the imposing score of 1985. The slim righthander did it with series of 636 in the team event, 698 in the doubles and 651 in the singles.

TONY SPARANDO
Rego Park, N. Y.

The list of 300 games in ABC tournament play stood at 13 after Tony Sparando finished bowling in the singles on March 31, 1954. Oddly enough, it was the veteran star's first sanctioned perfect game and was the first 300 to help produce an ABC title, since his 723 series remained atop the solo division for the next 33 days. Sparando, an alley proprietor who has overcome the handicap of poor eyesight, has a 199 average for 21 ABC's but this was his first championship. There now have been seven perfect games in singles play and six in the doubles.
